Appreciation of Our Heritage

We, who live during this bycentennial year of our great city of St. Louis, benefit by the zeal of the American martyrs, the steadfast spirit of our pioneer ancestors.

It is our hope that we, the youth who represent the future of our city, keep for our descendants all that has been preserved by the spirited Americans who have gone before us.

Dedication

Rarely has an individual so captured the minds and hearts of a nation as did President John Fitzgerald Kennedy. The youth, particularly, were charmed by his enthusiasm and vitality. His innate goodness and self-sacrifice was a quiet inspiration to all Americans, and earned the admiration of the world.

To the seniors, the loss of President Kennedy was especially poignant. His thoughts and ideals permeated all our high school life, and gave us a noble example for the future.

The memory of his years will remain long in our hearts — "For one brief shining moment, there was a Camelot."

Sister Mary Jarlath, principal of St. Joseph's Academy, greets our honored speaker, Mr. John Howard Griffin and Mrs. Bernard Concannon, Sr., his St. Louis hostess. Mr. Griffin, the noted author of **BLACK LIKE ME** delivered an address on the need for racial justice.

In Memoriam

The Academy is deeply saddened at the death of Sister Teresa Martin. As she was the first superior of the Academy in Frontenac, the responsibility of giving the school a strong, new beginning rested on her. She took the responsibility fully and supervised much of the physical as well as the academic formation of the school. Although the underclassmen did not have the privilege of knowing her, they share in the benefits that she has left them. Her service to the school will not be forgotten. The Academy pays tribute to a great woman.

Know God, know yourself, know your world. Religion, Guidance, and Social Studies together implant a deeper, more complete understanding of the Academy girls' realization of being and becoming a militant Christian. In Guidance, informal discussion aids students in developing knowledge and attitudes of self. Through illustration, they express their study of the complexities and mysteries of the Living Word of God.

The causes of climate and the effects of climate upon the surface of the earth enable the student to learn the physical aspects of her world.

She sees another side of history by studying man's political, social, and economic progress on earth.

Fine Arts

Art is the gateway to a deeper living and a more meaningful life. The fine arts provide the student with an opportunity for discovering herself and her abilities for creative expression. As a student progresses in either art, music or drama, she finds that her powers of perception and insight, and her awareness of the beauty in the world, awaken and become an integral part of her life. She finds the means to express what she has to say and the perfection of her expression becomes her goal. Her life becomes full and creative.

Languages

Communication, one of the most important factors in uniting the peoples of the world, is the key unlocking the entrance to understanding. Language permits one to achieve empathy with another's thoughts, to develop sensitivity toward his attitudes, ideas, and provincialisms.

The oral method taught at the Academy enables the girls to develop a feeling for a language, be it French, English, Spanish, or Latin, to respond to it naturally.

Mathematics

Mathematics is the fulcrum upon which all exact science depends. It is governed by certain laws and principles accumulated since the beginning of time. And yet it is still in the process of theory.

Although complete coverage of the basic principles of mathematics is offered at The Academy, the main emphasis is placed on exploring its latest theories. Thus the S. J. A. girl is prepared with the mathematical knowledge to meet her age.

Science

Experimentation is the keynote of science. All of the scientific facts in the textbooks are simply discoveries born of experiment. We live in an age of constant discovery. Scientists are experimenting unceasingly to find newer and better things for living, drawing for their information on the data accumulated in the past.

Through the science department at the Academy, a girl acquires a firm background of scientific past and is encouraged to use this knowledge to contribute to the scientific future. The essential element which SJA strives to cultivate is curiosity. It is the spark which sets off the flame of experimentation leading to the glow of discovery.

Student Council

Each year the student body strives to focus attention on one particular phase of character development. This year the aim was geared toward the individual. It is not utopian to strive for the perfection of the individual character. It is through the person that a group merits, or deserves those penalties that necessarily justify persons, who bring judgement upon themselves. This year the attempt to become conscious of the personal responsibility of each has been tested. Each girl knows how she has used her freedoms. Each girl who reads this article knows how she has personally developed in her efforts to carry out with sincerity, the Council's theme of this year, The Development of Individual Character.

The Sodality of Our Lady

Sodality officers: Debbie Gleeson, treasurer; Judy Bier, secretary; Maureen Hayes, vice-prefect; and Cathy Lane, advisor.

The Sodality of Our Lady is a challenging Way of Life, consisting of a goal, a means, a model, and a dedication. Our goal is to become another Christ, a Catholic leader; our means is the Sodality Rule. For our models we take Christ and Mary; and for our dedication we have the Act of Consecration. Through this each member gives her whole self to be sanctified by Christ in the world. Our Sodality is a religious body aiming at the sanctification of others and the defense of the Church.

Quality Street

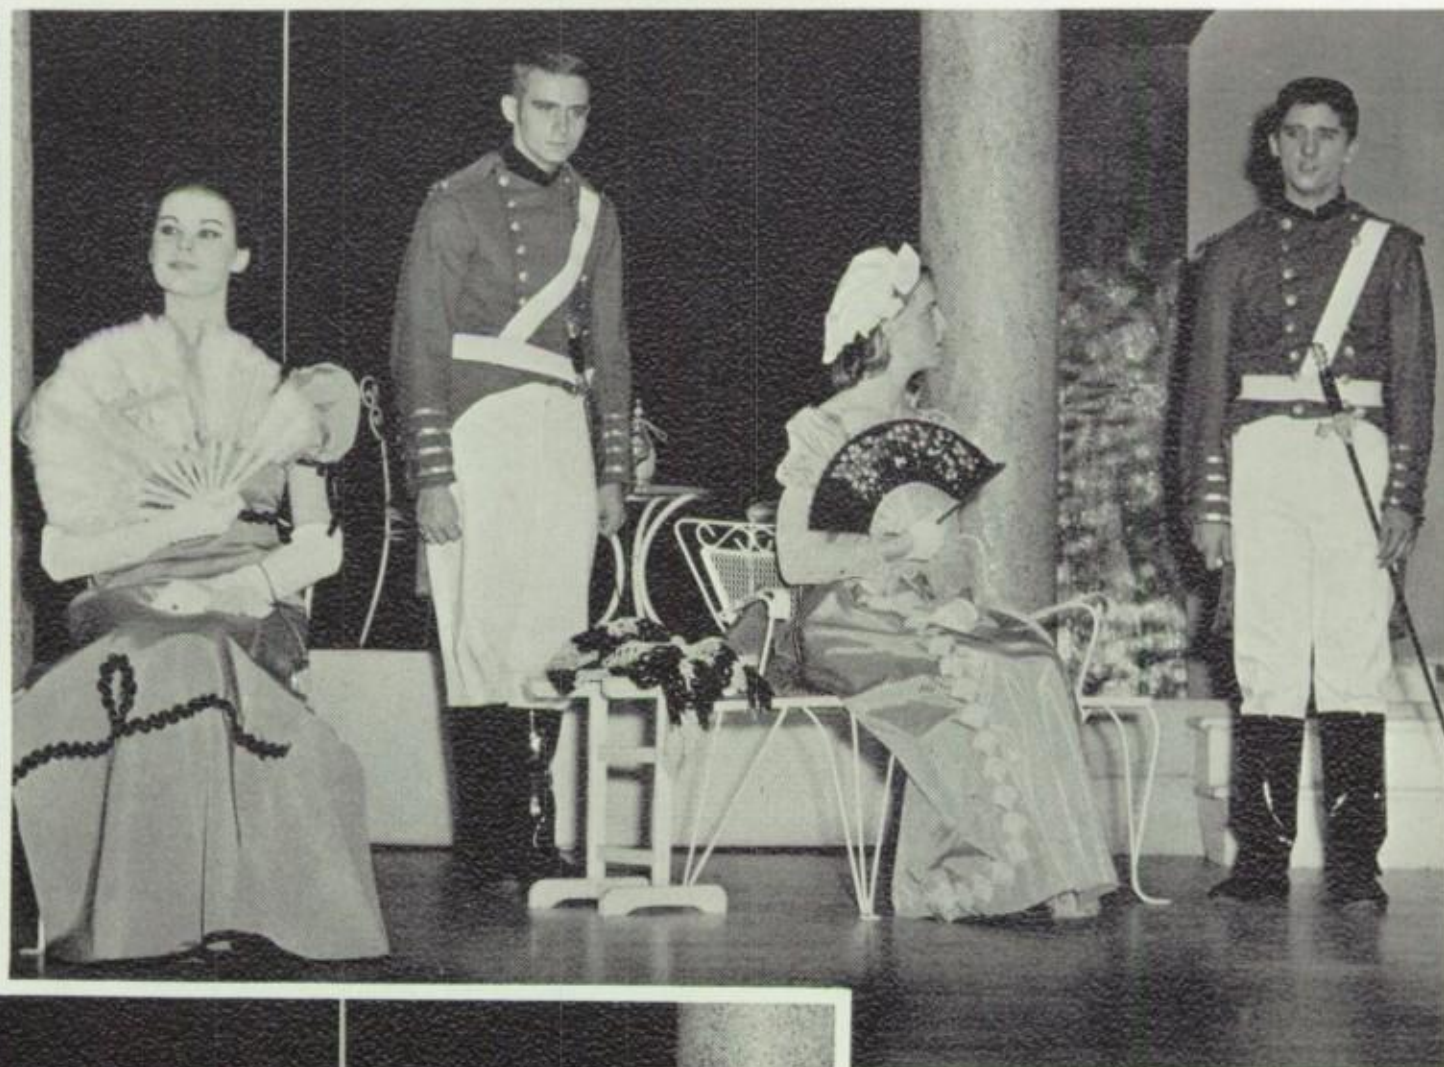

In November a change came over the Senior Class of the Academy. "To present a good show," instructed director Miss Dwyer, "you must all take on the character of 'Quality Street'." Through six weeks of Miss Dwyer's perseverance, and the seniors' cooperation, this character was achieved. A dignified, short-stepped pace was detected in a few of our ladies of "Quality Street" at school. And yes, that was a British "a" you heard in the halls.

A character had to be achieved backstage, too -- cooperation, the virtue that everyone realized was the prime requisite for a real show. That endless search for fans, handkerchiefs, and blue and white fixtures, was one we will not soon forget.

Finally, after weeks of rehearsing, painting, sewing, searching, cooperation, and more rehearsing, we produced a wonderful composite -- Quality Street. That sweet nineteenth century love story was here to stay in the hearts of the class of '64.

Drama Guild

Filled with awe at the wonder of life, we students hope to probe the enigma of the universe. The theatre offers us depth of insight by providing vicarious experiences that we could not otherwise have. Empathy, a feeling with, is realized when we know the fear, the terror, and the sufferings of a character. We should come forth from the study of drama, with compassion for the human condition, enriched and charitable human beings.

—Maureen Hayes

Officers of the Drama Guild plan for their next production: Maureen Hayes, Vice-President; Sharon O'Brien, President; Patty Grutsch, Treasurer; Nancy Hartnett, Secretary.

Glee Club

Initiative, talent, work, and enjoyment means Glee Club. From Freshman Chorus to Frontenacs the St. Joe girl is kept busy from September to June in Glee Club activities. In September there's excitement; October, training; November, anticipation; and December, the Christmas Concert and caroling. Then we begin a new semester. January means polishing; February, new tempo; March, fear and Fontbonne; April, Spring Concert and C.B.C.; and finally May, the end of a glorious year. Glee Club brings variety into the St. Joe life and gives a girl confidence, self-control, and responsibility.

String Ensemble and Art Club

The String Ensemble at St. Joseph's Academy has an established reputation for excellence. Here the group listens to member Kathy Ramspott, who is a young violinist of the St. Louis Philharmonic. The group is under the direction of Sister Rose Catherine present here. The group from left to right: seated: Ann Benya, Mary Kerwin, Delores Hengen; standing: Sue Sabo, Eileen Holtkamp, Kathy Ramspott.

In Fall of '63, a newly organized club made the co-curricular scene at S. J. A. Dubbed, "Les Fauves" after a group of famous French artists, the club has aspired to promote a greater interest in art and its many accompanying activities.

This was proven by weekly art exhibitions, student tours to points of artistic interest around St. Louis, and participation in local, regional and national art competition.

The Art Club fosters the stimulation of creativity and individual thought, two prerequisites for the potential artist in today's mechanized world. Art Club Officers: seated: Beth Murphy, Vice-President; Barbara Bussman, President; standing: Mary Beth Wieland, Secretary; Madonna Gauding, Treasurer.

Biology Club

The Biology clubs promote interest and outside study in the field of life science. Reports, discussions, and movies pertaining to biology are included in the meetings. Outside activities such as field trips are also sponsored by the clubs, and they prove to be interesting and profitable to the students.

Senior-Junior Biology Club officers: Madonna Gauding, vice-president; Joyce Beiter, president; Fran Kennedy, secretary; and Cheryl Quante, treasurer.

The Nieuland Mathience Club

Under the guidance of Sister Agnes Loretta, the Nieuland Mathience Club strives to promote interest in the field of Science and Mathematics, outside of the student's daily class work. This is accomplished by lectures and panel discussions dealing with subjects applicable to our scientific interests. A point system has also been established this year through which the members may merit a science pin by achieving a set standard of points.

Included in our activities this year was a lecture by Professor Pollmann P.H.D. of Fontbonne College, who spoke on the opportunities for women in the field of science. Miss Marilou Metchell, a prominent speaker from St. John's Hospital, gave an interesting lecture pertaining to the field of nursing.

Pep Club

Girls with little green buttons on their lapels have been a new sight at St. Joseph's Academy this year. Inscribed on these buttons are the words "PEP REP-S.J.A." These girls are members of a new organization at St. Joe.

Our Pep Club actually had its beginning at the end of last year. It was only an idea, but during the summer our idea grew, took a definite form, and was then presented to Sister Jarleth last September. With her approval, our club actually went into action. Every club has a specific aim and ours is to instill in each girl an element of pride for the school and to fill the bleachers with Sajoettes for each game.

We hope our Pep Club will become a standing tradition at S.J.A.

GAA Club Officers: Mary Pat Schulte, President; Debbie Sharpe, Vice-President; Jonie Walden, Secretary; Mary Ellen King, Treasurer.

High Spirited cheerleaders Sue Kohl, Leslie Word, Sharon O'Brien, E'Loise Lucier, Judy O'Toole and Louis Trebilcock practice industriously!

School Spirit!

Bowling officers Marie Degel, Karen Northcott and Vickie Amendola prepare to bowl a perfect game.

Sitting at the head table at the Latin Banquet are: Sister Dolorine, Sister Jarlath, Sister Rose Adelle, Sister Doretta, and Sister Thomasine. Standing behind them are officers of the Senior Latin Club: Connie Moeller, president, Cathy Lane, and Mary Ann Rotermund; officers of the Junior Latin Club: Martha Schmidt, president, Sue Sertl, and Sue Sabo.

Latin Club members enjoy a Roman feast.

Leslie Holdsworth and Mary Ann Sonderman kick up their heels at the Father Daughter Banquet.

Banquets

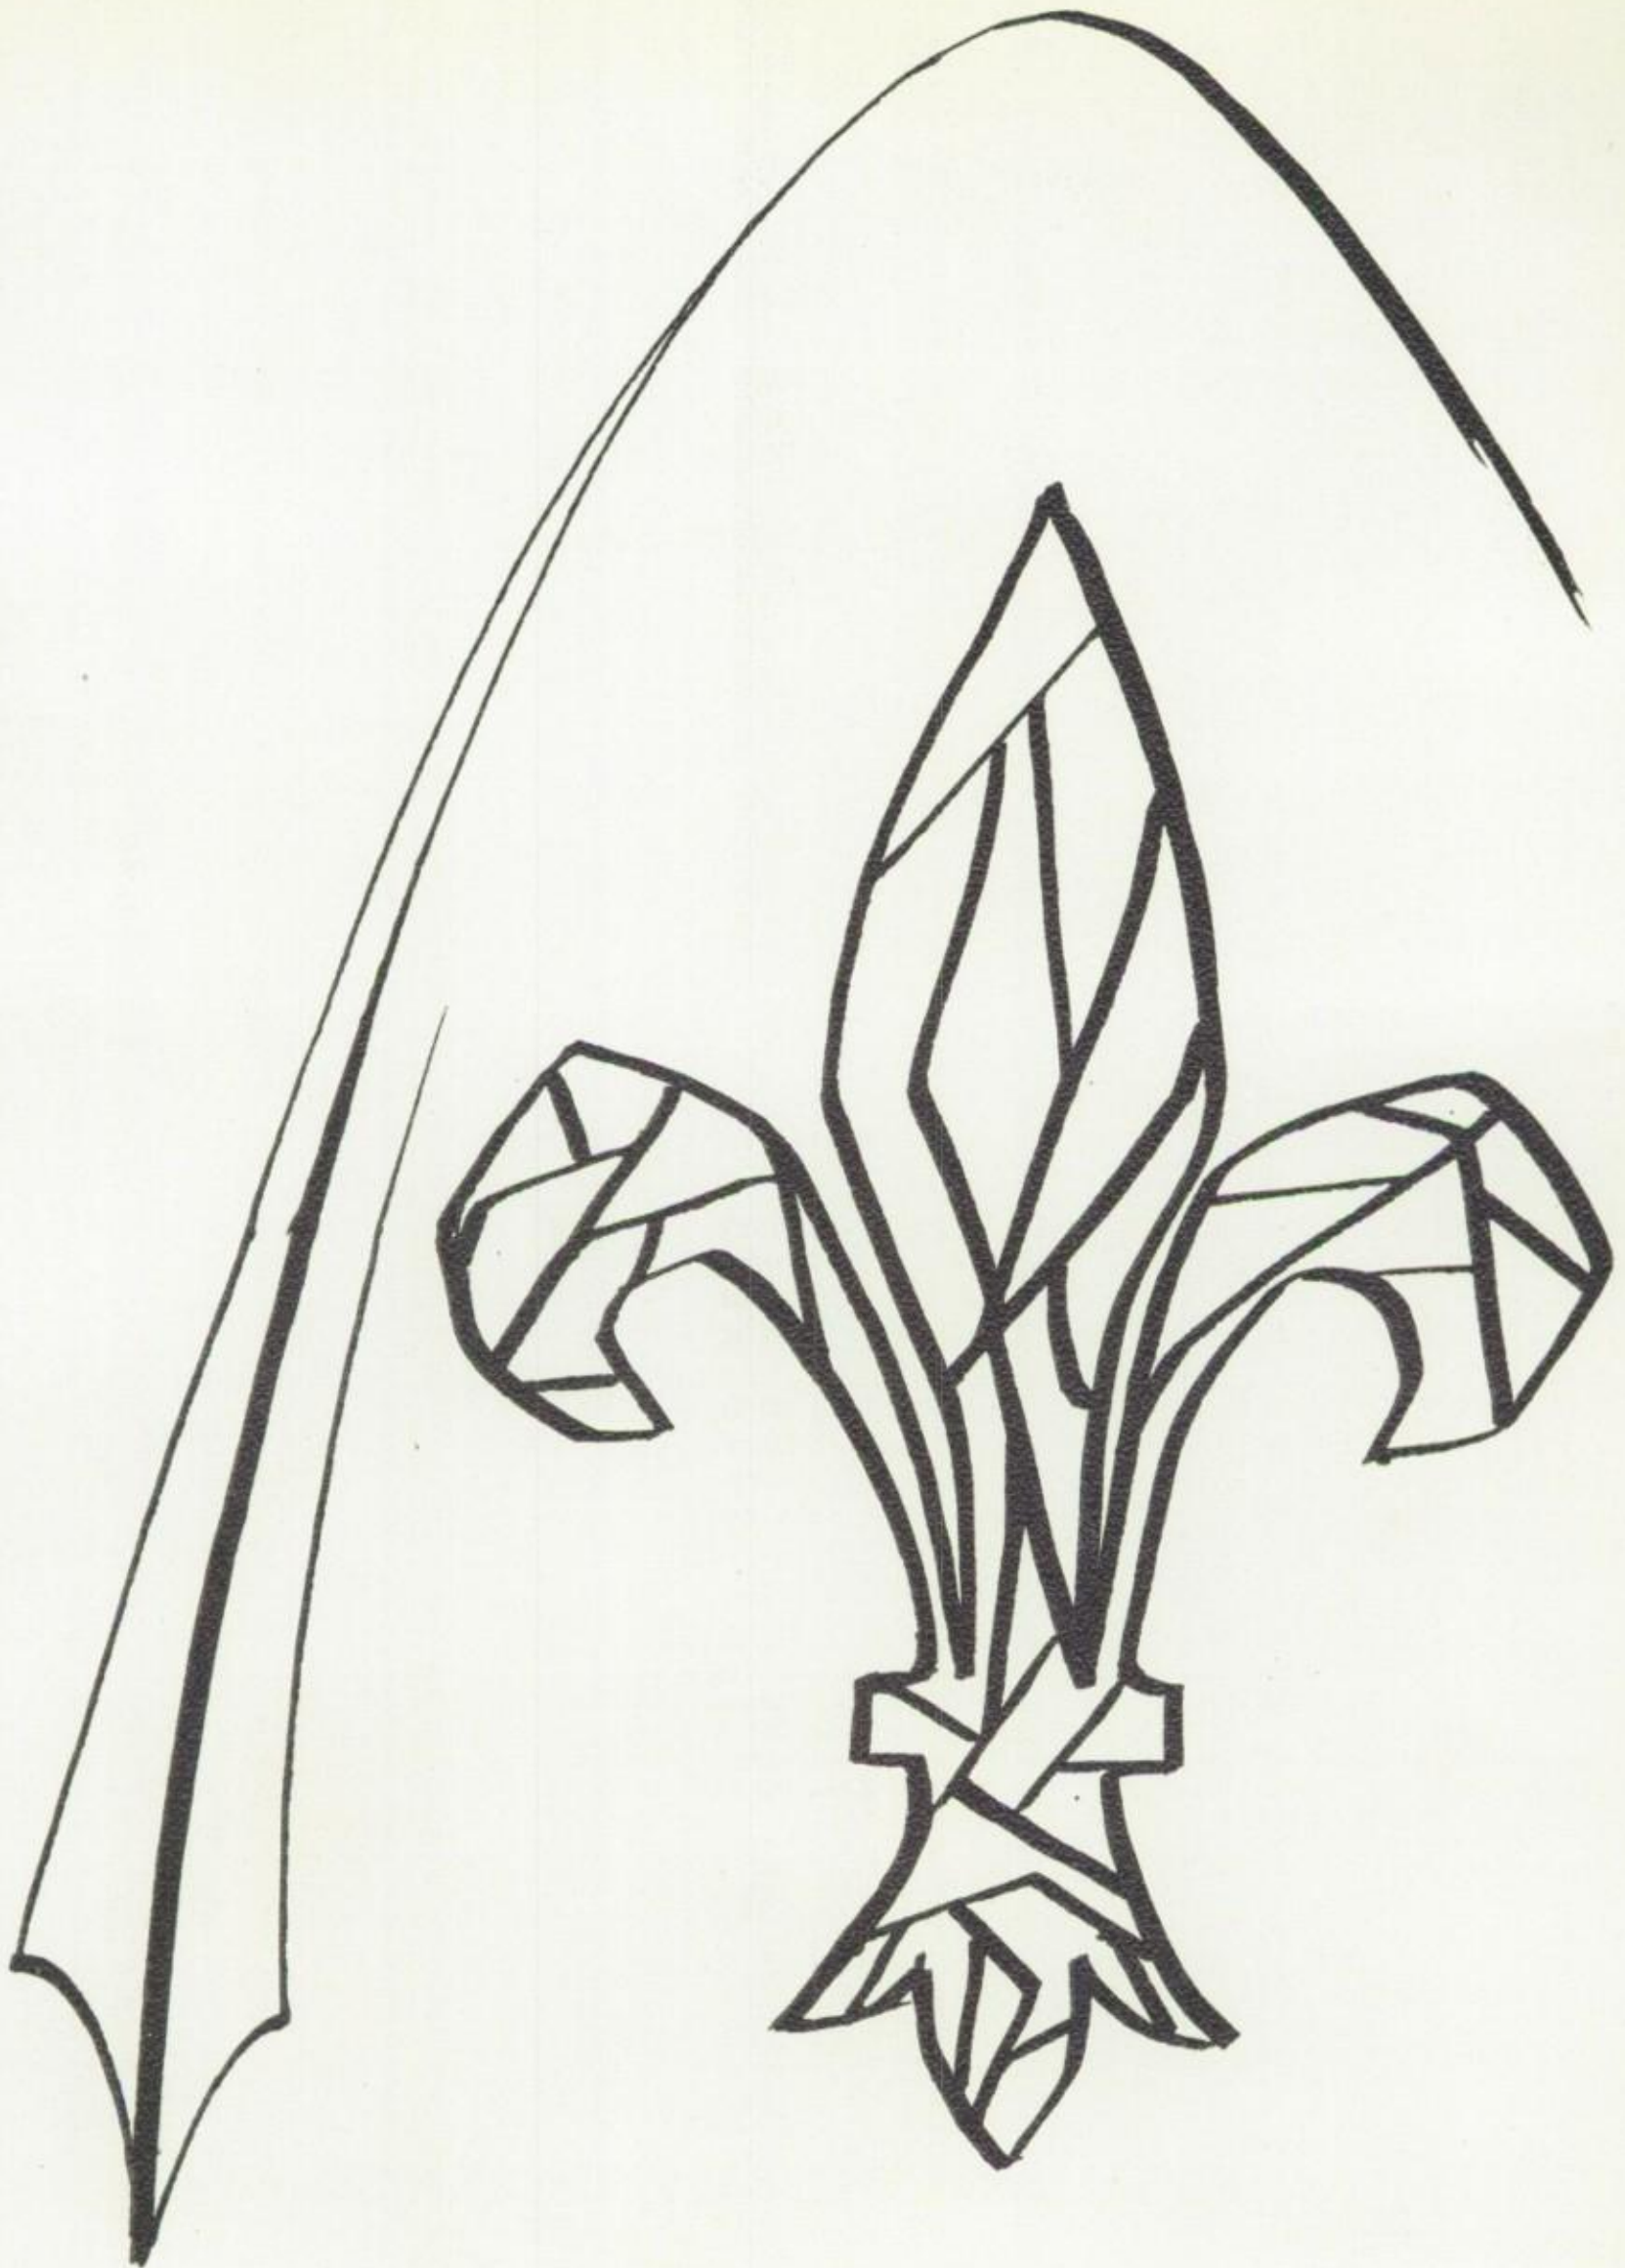

It is tradition that each year the Junior Latin Club gives for the Senior Latin Club a banquet. This year's banquet was a roaring success due to the delicious food and the hilarious entertainment, featuring a short play, "Whatever Happened to Baby Caesar?"

The big night for the fathers was the night of the Father Daughter Banquet, which was given jointly by the Fathers' Club and the Student Council. After enjoying the dinner everyone was entertained by a skit from each class and a solo by Patty Kay Booth.

Connie Moeller

At the head table at the Father Daughter Banquet are seated: Mr. Frank H. Moeller and Connie Moeller, Kathy Langhi and Mr. B. A. Langhi, the guest speaker Father Mr. R. J. Burkard and Terry Burkard, Denise Backers and Mr. Backers; standing are: Mr. Adolph Brand and Sue Brand, Mr. John Sullivan and Jeanne Sullivan, Mr. E. L. Duggan and Mary Duggan, Mr. Charles R. Jackson and Charyl Jackson, Adrienne Alvarez and Mr. Joseph A. Alvarez, Daria Blume and Mr. B. Blume, Deanne Bacon and Mr. Roger E. Bacon, Beth Mahoney and Mr. Robert B. Mahoney.
